

“At last, urban style and modern living come to the neighborhood where the planning of extraordinary events took place that led to a better quality of living for people throughout the world.”

Historic Westside Village, just one mile from Downtown Atlanta is beautifully placed in one of Atlanta's most convenient neighborhoods. Central to everything you need and, better yet, everything you want. Dining, shopping, MARTA rail, and sports venues, even Hartsfield-Jackson International airport are only minutes away. Condos are now selling from the \$140's to \$230's and townhomes are selling from the \$240's.
