

City of Atlanta Business Recovery Fund

On June 1, 2024, Mayor Andre Dickens declared a state of emergency due to water main breaks. **Eligible small businesses can apply for City of Atlanta Business Recovery Fund grants to help recover from water service disruption.**

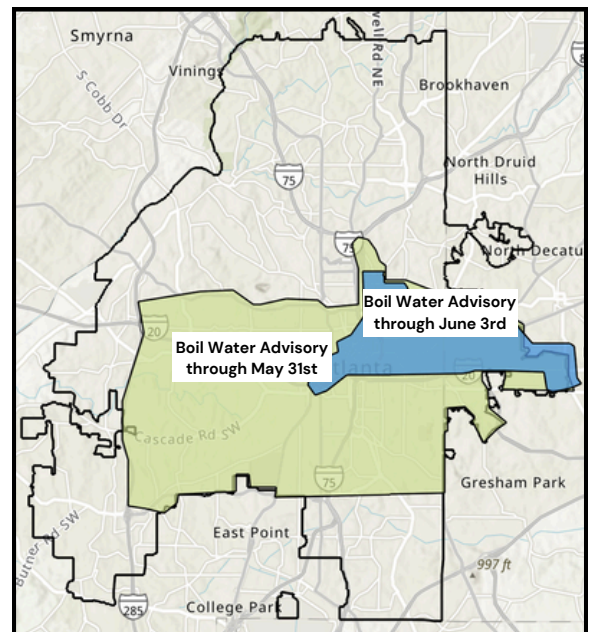

Important Dates to Know

- Informational Webinar: Monday, June 17 at 5:00 p.m. Hear about eligibility requirements, required documentation and other application information.
- Applications Open: Monday, June 24.
- Applications Close: Monday, July 8 at 5:00 p.m.

Eligibility

- Only small businesses within the impact area will be eligible for this grant.
- Business owners must provide proof of their active City of Atlanta business license and Secretary of State registration.
- Priority given to industries most directly impacted, including restaurants, beauty salons spas, and daycares.
- Application ranking will also consider the number of days the business was impacted.
