INTRODUCTION

Invest Atlanta's Predevelopment Loan Program (PLP) provides low-interest financing for eligible predevelopment activities **to property owners within the Beltline, Campbellton Road, Perry Bolton, Eastside and Westside Tax Allocation Districts.**

Invest Atlanta is committed to responsibly utilizing the resources, economic incentives, programs and financial tools available to increase sustainable, living-wage jobs, affordable housing, and reduce income and wealth gaps across racial and social-economic lines; and help ensure all Atlanta neighborhoods and residents have access to the services and amenities they need to thrive.

Predevelopment work and analysis is necessary to bring projects to a level of financing viability but securing capital for preconstruction activities may present an obstacle for legacy property owners, small non-profits, and emerging, local developers. The PLP aims to alleviate predevelopment challenges with low-cost financing, thereby expediting and expanding development activity for catalytic and neighborhood-scale affordable housing, commercial, and mixed-use projects.

INVEST ATLANTA

The Atlanta Development Authority d/b/a "Invest Atlanta" is created and exists under and by virtue of the Georgia Development Authorities Law. It was activated by a resolution of the City of Atlanta Council and currently operates as a public body corporate and politic and instrumentality of the State of Georgia. Invest Atlanta was established to promote the revitalization and growth of the city and serves as the city's redevelopment agency pursuant to the Redevelopment Powers Law, for the purpose of implementing redevelopment initiatives within the city's ten Tax Allocation Districts (TADs). Invest Atlanta is an Equal-Opportunity Employer.
